* External debt figures represent borrowings by the Central Government from external resources and are based upon historical rates of exchange.

@ Converted at current year end exchange rates. For 1980-81, the rates prevailing at the end of March, 1981.

For 1993-94, the rates prevailing at the end of March, 1994 and so on.

This includes marketable dated securities held by the RBI.

Note: Figures in paraenthesees represent percentages of GDP.
