# MANAGEMENT OF BUSINESS FINANCE (MBF)

[ 2 year full time Regular Post Graduate Program in Business Finance]

MBF is a specialised program in Finance. The program has 27 out of 38 papers with core finance focus. It is the only program in finance in the country with curricula at par with MBA of international standard, based on international experiences and the needs of Indian industry. MBF is a 120 credit course.

### **OBJECTIVES**

To develop competent and effective professional managers, to foster intellectual excellence and to teach the latest techniques of finance by fostering independent and creative thinking.

#### ELIGIBILITY

Graduation with min. 50% marks [45% for SC/ST/ OBC/ 5 Years Working Executive]

# Programme Module

The first two semesters are designed to provide the base foundtion of the finance function along with the other functional areas of management. Highly advanced inputs of Finance are provided in Trimester III to VI, specializing the future manager in different fields/areas of finance.

At the end of the year all students undergo Experiential Corporate Exposure training in industrial, business organizations and international agencies. The objective is basically to provide the students with real life exposure which they cannot gain from simple classroom study. They get opportunity to learn beyond the class room by solving business problems and decision making during the training period.

In the Trimester IV to VI semester the students get an opportunity to apply their classroom knowledge in solving the real world problems faced by the industry. A student is expected to be associated with a corporate house to conduct the study for the MBF Thesis and ST Thesis. A student has to pass the program within five years from the date of enrollment.
